

Screen Printed Aluminum Signs

Screen Printed Rhino Aluminum Signs are brightly colored, UV stable, baked enamel aluminum signs. They are designed specifically for outdoor usage and have a 15 year warranty. The signs are non-toxic and environmentally safe. In addition, these signs have a scrap value.

Temperature Stable

Rhino Aluminum remains stable from -100° to +250°F.

Colors

Standard Rhino Aluminum colors are orange, white and yellow.

Standard Print color is black. Optional print colors are orange, white, yellow, blue, red, green, purple and brown. Custom Rhino Aluminum colors are available but may require a minimum order or a matching color charge. Custom Print colors may be available. Call for details.
