

Wrap-A-Round Signs

100% Recyclable

RhinoPoly™ Wrap-A-Round signs are designed to convert 4” x 4” wood posts, round wood poles or metal U-channel posts into signs that are highly visible from any direction. These .075 thick poly signs are pre-creased for easy installation. Wrap-A-Round signs are also available in .024 aluminum.

Reduce Liability

Making your rigid wood or metal posts visible from 360° will help prevent ATV’s, snowmobiles, and farm equipment from accidentally impacting your markers.

Tough And Durable

RhinoPoly remains stable in the harshest environments. The sun won’t fade the bright colors because we use our own custom blended UV stabilized polyethylene and special UV resistant inks. Signs come with a 7 year warranty.

Temperature Stable

RhinoPoly remains stable from -100° to +200°F.

Custom Sizes

Wrap-A-Round signs are available in other sizes to fit any size wood or metal post.

Colors

Standard colors are orange, white and yellow. Custom colors are available but may require a minimum order or a color matching charge. Call for details.

Custom Legends

Any legend can be printed on our Wrap-A-Round signs. Using a contrasting color increases visibility.

Tri-Fold style

This 10.5” x 14” three sided sign is designed for use on 4” x 4” wood posts or metal U-channel posts.

Quad-Fold Style

This style measures 14” x 15” and can be used on 4” x 4” wood posts or metal U-channel posts. On U-channel posts, sides 1 and 4 overlap and are fastened to the post.

Seven-Fold Style

The Seven-Fold style is a 23-3/4” x 14” sign for use on U-channel posts.

Sign Toppers

Often called “Call Before You Dig Toppers” these signs are 14-1/8” x 4”. They are designed for use on 4” x 4” wood posts or metal U-channel posts.

Pole Wrap Style

Pole Wrap signs are for round wood poles. They measure 21” x 9”.

Sign Saver Bracket

Sign Saver Brackets can prevent signs from being deformed during attachment to 1.12 lb. or 2 lb. U-channel posts. The aluminum bracket is 3”W x 2”H with a 3/8” center hole.
